#### CELEBRATE INDIA!

The Livingston Student Center is proud to announce a new program, "Diversity in the World Community". This annual Fall semester program will Celebrate India in 1990, and offers to faculty, staff and students the opportunity to learn more about the people of India and their culture. Watch for presentations and exhibits focusing on India throughout the Livingston campus during the Fall and join with us in Celebrating India. ... Already scheduled events for Fall 1990 include:

"New Sounds" Classical Dance / Sept. 22 & Musical Concert / Sept. 29 (LSH Aud)  
Navratri / Sept. 29 (Livingston Gym)  
Divali / Oct. 26 & 27 (LSH Aud)  
Indian Cultural Show / Nov. 2 (LSC-CH)  
Films of India / Sept. 20, Oct. 17, Nov. 7 (LSC-CH)

Snack & Soda Machines  
Stamp Machine  
T.V. Lounge

#### CRIME PREVENTION TIPS

1. Maintain situational awareness: vulnerability to crime can be reduced by always being alert to the people and circumstances around you.
2. Avoid the use of alcohol or drugs. Persons under the influence have diminished awareness of their surroundings and are more likely to be the victims of serious crimes or accidents.
3. Avoid isolation. Criminals frequently prey upon persons who are alone and who are in isolated areas (either indoors or outdoors) where the possibility of witnesses or assistance to the victim is low.
4. Do not prop open external doors to dormitories or apartment buildings. When entering or leaving make sure the door positively secures behind you.
5. Do not allow strangers into your residence building. Visitors should be instructed to remain outside and use the entrance telephone to contact the person they are visiting for admittance.
6. Always lock the doors to dorm rooms and apartments whenever you are alone, sleeping, or the room or the apartment are unoccupied, even if it will be only for a few minutes.
7. When walking alone after dark, plan your route so as to stay near occupied buildings. Residence halls and apartments are occupied 24 hours a day and most have emergency telephones at the entrance.
8. Always have an alternate means of transportation available in case you become stranded—money for a taxi, friend to call for a ride, etc.
9. Don't leave valuables unattended in libraries, dining halls, classrooms, etc. Many of the thefts on campus involve unattended property.
